Re: New Filing: McCarthy v. Facebook, et al.  
Request for ECF login

Dear madam or sir:

Please accept the enclosed cover sheet, application for indigent status, complaint, 3 summonses, and email consent.

I have been advised that as a private citizen, I cannot access the electronic filing system to file anything. While I can appreciate the practicalities of pro se litigants screwing around with ECF, my CV will perhaps provide you with grounds to make an exception in my case, as I have been filing electronically since it was first required in the USDC, N. Dist. CA some time in the early 1980's.

My PACER account number is 8121259.

Thank you in advance for your service and attention.

Very truly yours
